

Capturing Community

Weekly Photo Prompts

Here are some ideas for photos and drawings that you can take to capture the community around you. Add a short caption to your images. If you have other ideas, feel free to take photos or draw those instead.

Week 1 (March 30 – April 3)

Spring started on March 19th. What are some of the signs that it is spring in your community? Reflect on your feelings about spring this year. How does your image showcase those feelings?

Week 2 (April 6 – 10)

Everyone is spending a lot of time at home right now. Where do you live? Do you live in a house, in an apartment? Do you have a front yard, a backyard? What are your favorite rooms in your house? What makes home feel like home?

Week 3 (April 13 – 17)

Heroes exist in all forms. Take this time to reflect on who you consider your hero. Why did you choose this person? What do they do (or have they done) that makes them a hero to you?

Week 4 (April 20 – 24)

The alphabet is all around you! Find something that begins with each letter of the alphabet. Why did you choose these things to photograph?

Week 5 (April 27 – May 1)

Create a story through images! What is this story saying and who is in it? Why did you choose to tell this story?

Send your favorite images to Heather@mattmuseum.org!
