Word Search

On the next two pages are word searches for you to try! Circle the words as you find them.

The first one is in English. Are there any words that you don't know? Find the definitions and try using them in a sentence. There's also the name of a famous suffragette!

Once you have mastered the women's suffrage vocabulary in English, try it again in Spanish! Can you tell which word matches up with the English word?
