Create Your Own Still Life

Duration: 45 minutes

Materials:

- A piece of white paper (or canvas)
- Pencil
- Paint, markers, crayons, colored pencils, etc.

Instructions:

1. On your paper (or canvas), use a pencil to draw an outline for your still life. You can use the templates below, or create one using objects in your house that you draw.
2. Add a background.
3. Add a fun tabletop or tablecloth.
4. Then, fill in your objects with color.
5. Make them realistic or be as abstract as you want. Think back to the different styles in the Lesson Plan.
6. Have fun and send your final creation to Heather@mattmuseum.org!
