## REIMAGINING AND EXPANDING THE MUSEUM

### THE PROJECT

In 2018, the Mattatuck Museum engaged the architectural firm of Ann Beha Architects (ABA) to develop a plan to reshape the Museum while continuing to be a welcoming, inclusive, stimulating and enriching community anchor. ABA's plan for the "new" Mattatuck Museum includes an extensive 14,000 square foot renovation to the existing space and an addition of almost 7,000 square feet to enhance educational programming, collections storage and exhibitions. With this expansion, The MATT proudly take its place in the cultural and artistic transformation of downtown Waterbury. The successful completion of this campaign will secure the Mattatuck's legacy for future generations. It will enable the Museum to grow with confidence to its rightful spot among the most important cultural institutions in Connecticut and one of the finest regional museums in the country.

### CAMPAIGN UPDATE

The Museum launched the Capital Campaign in 2016 with lead gifts from the Board of Directors and various foundations. In 2018, as the architectural design process was finalized and the Museum received an Urban Act Grant from the State of Connecticut, the campaign went public. In 2021, the Museum finished its campaign and raised the funds needed to create a museum for the twenty-first century. Thank you to all of those who have given to the campaign (page 16-17). We appreciate your belief in this project and hope you have had the chance to visit.

### REOPENING

The last week in February marked a milestone for the Museum as we reopened at our 144 West Main Street location and welcomed guests into our new building for the first time. This project began in 2013 with a strategic planning process that brought together an ambitious Board of Directors, a new executive director, a growing staff, and stakeholders – all of whom had a vision for what the Mattatuck Museum could be. During that nearly year-long process, we explored many ways to improve our visitor's experience, to expand our educational mission and to be a beacon, drawing visitors from across the region to Downtown Waterbury. We were thrilled to celebrate the new building, almost a decade in the making, with the many people who made it possible – our current and former Board of Directors, elected officials, donors, members, and staff. We are grateful to the City of Waterbury and the Greater Waterbury YMCA for our temporary home at Rose Hill, but are thrilled to be in our new space. Updates have been made to the permanent collection galleries, and our three special exhibition galleries continue to be changed on a quarterly basis, so make sure to visit us often.

CURATOR'S CORNER

As we opened our new winter exhibitions on December 5, it was a bittersweet moment for the museum: although these shows brought vibrant color and fascinating stories to the galleries, they also marked Curator Cynthia Roznoy's final exhibits for the museum. After 14 years at the Mattatuck, Cynthia departed at the end of September after a heartfelt retirement party that brought friends and colleagues together to acknowledge her many accomplishments and to say farewell. I was fortunate to overlap with Cynthia for several weeks and learned so much in our brief time together. While visitors will benefit from her vision for the next few years thanks to the museum’s long-term exhibition schedule, it is very exciting to imagine what new ideas the next Chief Curator will bring.

Since her departure, the Curatorial team has been working hard to manage the current and upcoming exhibitions schedule while keeping our collections galleries new and exciting. A focal point of these changes is the History Gallery, where we have expanded and reimagined several existing installations. These include a variety of interactive elements that are the result of years of research, advisement from community members, and brainstorming among museum staff across all departments.

Collections Manager Wayne Eldred has been busy cataloguing the many donations and purchases acquired last year. These gifts range from locally made fifes to sculptures, quilt squares to paintings, fully encompassing the range of the Mattatuck Museum’s collecting interests. Chosen with guidance from the Collections Committee and Director Bob Burns, these new objects will help the museum better reflect and represent the diverse population of our community. The list of acquisitions from generous donors below shows long-time friends of the museum alongside new names.

One of the largest accomplishments of the past year was the successful move from Rose Hill to the newly renovated museum. While it was a group effort, Wayne and Archivist Stephanie Crawford ensured that the collections were transported and stored safely in the new spaces. Staff worked together to reinstall the galleries in new ways to foster new types of conversations. Since the move, Stephanie has worked on providing accessible archival collections for the community and visiting scholars through finding aids, social media, and programming.

In 2022, the museum will host a wide variety of exhibitions including loans from other institutions, exhibits organized by guest curators, and exhibits developed in-house that will enrich the perspectives we share with audiences. The selections from our permanent collection that are on display will rotate as our new Chief Curator becomes familiar with the institution and begins to implement their vision. It is an exciting time to see what the New Year brings!

# SPECIAL EVENTS & FUNDRAISERS

Cyndi Tolosa  
Director of Development

## GIVING ROUNDUP

Dear Supporters,

Your continued support in 2021 was so important to our success as we reopened the Museum and moved back to our West Main Street home! Thank you for renewing your membership, giving to the annual fund, becoming corporate partners, and supporting our exhibitions and programs despite everything else going on in the world. We are so grateful to all of YOU—our members, donors, sponsors, and other friends of the Museum. Your gifts enabled the Museum to welcome thousands of school children for virtual tours, present a dozen changing exhibitions, host 180 programs, and reopen and reinstall an entire Museum.

We hope that you will continue your support—whether through membership, the annual fund, the capital campaign, or by attending our fundraising events. For more information, visit us online at [mattmuseum.org](https://mattmuseum.org) or call us at (203) 753-0381 x130.

Thank you again for your support. We can't wait to see you in 2022!

Warm wishes,  
Cyndi Tolosa, Director of Development

## 2021 SPECIAL EVENTS

After canceling many events in 2020, we were so eager to celebrate with all of you in 2021! We started off the fiscal year with a beautiful gathering in October at the home of Sharon and Peter Zilahy, our warm and welcoming hosts for Harvest Mask-erade. We then welcomed everyone to our new building and celebrated summer on the rooftop at Under the Strawberry Moon, raising much-needed funds for the capital campaign. In September, our rescheduled Brass Button Award celebrated the Shaker Family and all they have done for the Waterbury community.

We look forward to safely welcoming you all back in 2022!

# GIFTS TO THE MATTATUCK

Thank you to the following individuals, corporations, foundations, and government agencies who have so generously made gifts to the Mattatuck Museum during the period of October 1, 2020 through September 30, 2021.

Director of Education

## EDUCATION UPDATE

The past year has created a wealth of opportunity for us to grow our roster of public programs and educational initiatives. The education team worked diligently to create virtual programs that were able to keep us connected to the community. From virtual artist lectures to virtual workshops we were able to help guests continue to experience the museum’s core programs, all from the comfort of their own home. The team also worked closely with the Waterbury Public Schools once again to provide virtual field trips to all 3rd, 4th and 5th graders while also expanding our reach to more non-Waterbury Public Schools and more grade levels than ever before.

With the opening of the new building, our new education team has been working hard on building a strong educational and programmatic foundation for the department, the museum and the community. An important part of a strong foundation is the team leading the change. Angel Bleggi, the Museum’s new Education Coordinator worked throughout the Fall training over 20 new and returning docents on the changes to the building and exhibitions. Elise Vanase, the Museum’s new Manager of Public Programs has put together an exciting upcoming program schedule that nearly doubles our program output from the Fall. The team has worked on enhancing the visitor experience through new in-gallery experiences such as the Exploration Series, new facility rental art programs like “We All Scream For Ice Cream!”, new adult pop-up programs such as “Crack the Code at the Mattatuck Museum” and so much more. One of the department’s main goals this year is to create a robust suite of programs that will allow community members to have a relationship and sense of ownership with the museum from birth to late adulthood. We are thankful to have such strong community support of our education programs and look forward to working toward building a stronger and more impactful relationship moving forward.

Exciting times ahead!
