THE MUSEUM PROVIDES A UNIQUE ATMOSPHERE FOR YOUR NEXT OFF-SITE EVENT

“CREC rented space at The MATT in 2022 for one of our monthly partner meetings. We like to meet in interesting spots around CT, and The MATT certainly fulfilled our wishes. The whole process was pleasant, from making the first arrangements up until the day we met. The staff was warm and did not hesitate to help when needed. Our meeting space was bright and had all of the necessary AV. We were welcome to linger and enjoy the displays once our meeting had ended. A few of our staff expressed an interest in returning to The MATT with friends and family. It was an excellent day, and we will undoubtedly return next year!”

SEE WHAT CLIENTS HAVE TO SAY ABOUT THEIR EXPERIENCE @ THE MATT

“NVCOG had a great experience working with the Mattatuck Museum to host an event in their Performing Arts Center. Staff were professional, the facility was lovely, and we were proud to show off this cultural gem of the Naugatuck Valley at our meeting. We look forward to working with them in the future.”

“The MATT's fresh and inviting spaces have been a go-to for a variety of Connecticut Community Foundation meetings, workshops and special events! Creative spaces, friendly event staff and a great location (with easy parking) are just a few of the reasons we enjoy bringing people together at the museum.”
