This award recognizes the outstanding contributions of individuals in the greater Waterbury area who, like the Museum, are dedicated to the cultural and social enrichment of their community. Each year, the Museum's Board and past awardees nominate a person, couple, or family who go above and beyond in their efforts to reshape and help the greater Waterbury community. Long-time community supporters the **Hon. Neil O'Leary & Stephen L. Lewis**, President and CEO of Thomaston Savings Bank, are well known for their generosity and commitment to Waterbury.

We invite you to help the Museum honor this year's awardees by sponsoring the 17th Annual *Brass Button Awards*. Sponsorship at the Mattatuck Museum offers your company a unique opportunity to deeply engage with a nationally recognized museum and demonstrate a commitment to the arts as well as connect with a like minded audience. Proceeds from this event enable the Mattatuck to deliver history and art exhibitions and a wide array of educational and community outreach programs.

WATERBURY CLOCK AWARD

Recognizing outstanding community building, this year's award recipients are **Brian and Natalia Batista**.
